"Joy to the World" - Xmas Ball 2011

X'mas party 2011 was successfully held at L-hotel Island South in the eve. We had nearly 100 guests including principals, deputy principals, teachers, past presidents and many alumni and their families who are not seen often.

Throughout the night, we indulged ourselves in delicious food and lovely wine, excellent music and beautiful dance performance by a young couple from China. The party did not end until long after the count

down and much singing and dancing. The night was just full of fun and joy.

Our sincere thanks to all especially Kate Kwan for sponsoring the dancers, Erastus Yu for the wine and many generous donors for their lucky draw prizes. We wish to see you all again next year.

Year of the Dragon CNY Dinner

SSCAA CNY Dinner 2012 was successfully held on 18 February with over 250 guests, teachers and alumni attending to welcome Principal Yang. We also gathered to celebrate the 80th Anniversary for SSCAA and the opening of Photo Gallery for SSCAA Presidents at SSC campus.

The night was filled with many happy moments as alumni and over 50 current and ex-teachers shared good memories and latest updates. This year we set up a special photo corner where alumni can take photos with various backgrounds featuring our campus. We would also like to express our

appreciation for the sponsorships and the winning bidders for silent auction where the amount raised was donated to the SSC Heritage fund. Hope we will see you all next year.

Class Reunions

Class of 76 Reunion

That's how it all started - 4 school friends, 1 common goal and a short Facebook message. Many SSC '76 graduates were reconnected again and they celebrated their 35th graduation anniversary in Hong Kong this last November. There was a big reunion dinner on November, 11, 2011 (11.11.11) at the Customs Officers Club in North Point. It was well attended with 8 former teachers joined as their guests. The following message from Simon Chiu (class 5A2) pretty much sums up the atmosphere of the evening: "It was a big gathering and everyone was so excited and running around to

make new acquaintances of old friendship that I think many of us really overlooked the excellent food arranged by the organizers. It is rare indeed to see such a large

gathering of middle aged men and ladies behaving towards each others just as if they were still in their late teens. The scene was touching."

Class of 86 Reunion

12 November 2011 is really a memorable and enjoyable moment for us. Over 70

friendship..... "Wow! Billy, we haven't seen each other for years! How are you?"

"Ooh!! You look not much change in your appearance, so good!!" Imagine, how exciting and happy when you met your missed fellow buddies and shared with those were the days stuff. In fact, I have really picked up many long-missing contacts this time and look forward to our next reunion in the near future!!

Points to note when visiting the Campus

St. Stephen's College most welcome alumni to visit the campus, meet with the staff and students, attend the College's functions, and use the College's facilities in a well organized manner. Alumni are strongly encouraged registering our appointment in advance simply through the College's Development Office at 28135520 or alumni@ssc.edu.hk. A response from the Development Office will usually be available within next school day. There were almost a thousand of pre-registrations and visits done successfully by alumni in 2011.

If our visit is approved, we should show our valid SSCAA membership card and HKID card/passport at the College's front gate for security check. SSCAA has provided an updated list of names and membership numbers of our members to the College for a quick identification check (note: we have not disclosed any confidential personal details outside of SSCAA). If any of us has not registered/renewed the SSCAA membership, please send a request for membership registration to sscaa@sscaa.org.

Just in case of any special situation, the front gate security might contact SSCAA Membership Subcommittee for assistance in identification verification. However, please understand that it is absolutely not a guarantee for accessing to the campus.

All of us can participate in this access control to make the campus a more secured and safer place for the students, staff, and visitors. See you next time at the campus after pre-registration with a membership card on hand.

INCORPORATION OF SSCAA

A consultation session on the Incorporation of SSCAA was held on 18 February 2012 at the AV Theatre in the College, to coincide with the unveiling of the SSCAA President's Gallery. A frank exchange of views was conducted and we will incorporate the suggestions received into proposals for the Draft Memorandum and Articles of Association. The consultation period will end on 26 March 2011. Please give us your views and suggestions as to how the Draft Memorandum and Articles can be improved. For details, see
