We saw more alumni joining our SSCAA family, which is the most substantial support over SSCAA. SSCAA still has a long way to go, while the discussion on the Limited Company application can mark another milestone of the SSCAA's history. There are always rooms for improvement, such as Membership issue, website update, posting meeting notice and minutes, etc. I believe the team will do better next year.

Finally, I want to say thank you to all alumni who showed support in many different ways and the help of all Executive Committee this year.
