CLASS OF 1964 REUNION

In celebration of the 50th Golden Anniversary of the Class of Form 5 in 1964 (1964-2014) at St. Stephen's College, we reserved 3 days for our Grand Reunion which took place on the 16th, 17th and 18th October 2014 in Hong Kong. Associating with St. Stephen's College, we are able to identify ourselves even after so many years apart, we can still bring back old memories when we play and hang out with each other during our memorable years at our Mother School. The Alumni play an important role in keeping the contacts between the School and the school leavers who eventually will contribute to society.

On 16th October 2014, Edward Tai, a partner of the famous "Ding Tai Fung" which originated in Taiwan, hosted a reunion dinner at the fourth newly opened "Ding Tai Fung" restaurant in Hong Kong on the 14th Floor Miramar Mall, Kowloon. It was very well attended and over 4 tables full of delicious food and socialising. Many tried to recognised each other, after all, 50 years has gone by. The atmosphere was surprising and most delightful.

On 17th October, 2014 when the Main Reunion Dinner was hosted at the Hyatt Regency in Kowloon, we were honoured to have the presence of the two Principals, Ms. Carol Yang of St. Stephen's College and Miss Agnes Wai of the Prep School. The music, video pictures and even the uniforms were just like the sixties. Kenneth Lau, has made gifts of cap, tie and a school badge. In addition, he hired a professional photographer to take pictures. The old boys were grateful to receive a copy of an updated "Chimes" from the School. There were over 30 old boys from all over the world who came just for the Reunion events.

On the last day, 18th October, 2014, the old boys went back to St. Stephen's College to have lunch with the School Principal, Ms Carol Yang, just as they were 50 years ago. After lunch, they walked around the school to bring back memories and talk about old times. In the evening, Chan Yau Yue, took them to a German Restaurant in Stanley's Murray Building.

On 19th, a number of old boys went to Thailand to continue their journey at the hospitality of the Thai Boys which was an unforgettable jour.

Here's a Chinese poem written by our classmate, Leung Wing Yan for our 50th reunion celebration. It seems extremely appropriate for any SSC class reunion. Please feel free to print it in your newsletter.

Best regards,
Robin Yaw
