Feature – Message from Newsletter Editor

Dear SSC Alumni

On behalf of the SSCAA and Mimi Yuen, our President, I am honored to re-launch our Alumni newsletter and to wish you all a fruitful Year of 2017.

This newsletter is a valuable channel for us all to keep in touch with each other, with our beloved alma mater, and with SSC's continued achievements in academia, sports, and music. In the following pages, you will find updates about our beloved school, as well as what the SSCAA has been up to!

We envision that the newsletter will circulate twice every year. If you have any ideas for submissions, please do not hesitate to let us know by contacting sscaa@sscaa.org.

I hope to see many of you at future SSCAA events! Until then, please enjoy this newsletter.

Kind regards,

A handwritten signature in black ink, which appears to read 'Olivia Chan'.

School Guide

School Development – SSCPS New building

In 2014, the Pavilion of the old St. Stephen's College Alumni Association building at SSCPS was demolished after decades of service to the St Stephens' community. With nostalgia and fondness in our hearts, we bade farewell to the site of many happy memories and looked forward to a new future.

After 15 months of construction, the Ho Shung Yuk Building officially opened on 17 November 2016. Boasting new state of the art facilities, including a library, an auditorium, a climbing wall, new classrooms, as well as a greenhouse, the Ho Shung Yuk Building will take SSCPS into a grand dream, and into a new era.

On behalf of SSCAA, we hope that the new plaque displayed in the SSCAA room in the Ho Shung Yuk Building will remind us of the past. We wish to extend our heartfelt thanks once again for the generous donations from friends and alumni who built and maintained the Pavillion over the years.

International Baccalaureate Diploma Programme

In 2014, St Stephen's College became an authorized International Baccalaureate (IB) world school for the IB Diploma Programme, and began to offer its students the opportunity to attain a prestigious qualification recognized across the global community.

In 2017, the first cohort of SSC's IB students will graduate. These young people

have worked very hard over the last three years to tackle the IB Programme and its many challenges. On behalf of the SSC alumni community, we wish them all the best as they work through the last year of the IB Programme. Together, we look forward to meet them in the alumni community.

SSC Achievements

On behalf of the SSCAA, we congratulate the College's "Creative Music Team" for winning the best achievement ever in the 26th School Creative Music Showcase, which was held by the EDB and the Hong Kong Composer's Guild.

Best Music Prize
Gold Award

Best Creative Idea Prize
Silver Award

Best Performance Prize
Gold Award

Congratulations also to the College String Orchestra which, on 21 December 2016, won the Silver Award in the String Orchestra Contest of the HK Youth Music Interflows held at Hong Kong City Hall Concert Hall.

Sports

We would also like to congratulate the SSC Athletics team which achieved very good results for the year of 2016-2017. In particular, the Girls' Team was promoted from Division 3 to Division 2.

2017 CNY dinner Update

On 18 February 2017, alumni joined together to celebrate Chinese New Year and welcomed the Year of the Rooster at SSCAA CNY dinner. The theme of the dinner was "Inter-house Competition", and the night saw the competitive side of the SSC alumni community. Congratulations to Martin House, which emerged as the victor of the night!

The CNY Dinner 2017 was a great success, and this could not have been achieved without all of your support, as well as the support of our sponsors.
